Músicas do álbum Get Born

Andante  $\text{♩} = 76$  C

Transcription by Deusdet Coppen

Piano *mp*

*expressivo*

First system of musical notation. It consists of three staves: a vocal line at the top, a piano accompaniment in the middle, and a bass line at the bottom. The vocal line features a melodic line with notes and slurs, with chord symbols F, G, C, Em, and Am written above it. The piano accompaniment includes chords and a rhythmic pattern. The bass line has notes with slurs and a double bar line. A sharp symbol (#) is placed below the bass line at the end of the first and third measures.

Second system of musical notation, continuing the first system. It features the same three-staff structure with vocal, piano, and bass parts. The vocal line continues with notes and slurs, with chord symbols F, G, C, Em, and Am. The piano accompaniment and bass line follow the same patterns as the first system.

Third system of musical notation. It begins with a double bar line and a key signature change to one flat (B-flat major). The vocal line has notes and slurs with chord symbols D, F, G, A<sup>b</sup>, and B<sup>b</sup>. The piano accompaniment includes the word "espress" written below it. The bass line has notes with slurs and a double bar line. A sharp symbol (#) is placed below the bass line at the end of the first and third measures.

Fourth system of musical notation. It continues the piece with the same three-staff structure. The vocal line has notes and slurs with chord symbols F, A<sup>b</sup>, B<sup>b</sup>, F, A<sup>b</sup>, and B<sup>b</sup>. The piano accompaniment and bass line continue with their respective parts. The system ends with the instruction "D.S" (Da Capo).

Fifth system of musical notation, the final system on the page. It features the same three-staff structure. The vocal line has a single note with a slur and a double bar line, with the chord symbol C written above it. The piano accompaniment and bass line have notes with slurs and a double bar line. A sharp symbol (#) is placed below the bass line at the end of the first and third measures.

# Look What You've Done (tradução)

## Look What You've Done Olhe o que você fez

Take my photo off the wall    Tire minha foto da parede  
If it just won't sing for you    Se ela não for cantar para você  
'Cause all that's left has gone away    Porque tudo que sobrou se foi  
And there's nothing there for you to prove    E não há mais nada para você provar

Oh, look what you've done    Oh, olha o que você fez,  
You've made a fool of everyone    Fez a todos de bobo  
Oh well, it seems like such fun    Parece tão divertido  
Until you lose what you had won    até você perder o que ganhou

Give me back my point of view    Devolva-me meu ponto de vista  
'Cause I just can't think for you    Porque eu não posso pensar por você  
I can hardly hear you say    Eu mal posso te ouvir dizer  
What should I do, well you choose    O que devo fazer? Bom, você escolhe

Oh, look what you've done    Oh, olhe o que você fez,  
You've made a fool of everyone    Fez a todos de bobo  
Oh well, it seems like such fun    Parece tão divertido  
Until you lose what you had won    Até você perder o que ganhou

Oh, look what you've done    Oh, olhe o que você fez,  
You've made a fool of everyone    Fez a todos de bobo  
A fool of everyone    a todos de bobo  
A fool of everyone    a todos de bobo

Take my photo off the wall    Tire minha foto da parede  
If it just won't sing for you    Se ela não for cantar para você  
'Cause all that's left has gone away    Porque tudo que sobrou se foi  
And there's nothing there for you to do    E não há mais nada para você fazer

Oh, look what you've done    Oh, olha o que você fez,  
You've made a fool of everyone    Fez a todos de bobo  
Oh well, it seems like such fun    Parece tão divertido  
Until you lose what you had won    Até você perder o que ganhou

Oh, look what you've done    Oh, olhe o que você fez,  
You've made a fool of everyone    Fez a todos de bobo  
A fool of everyone    a todos de bobo  
A fool of everyone    a todos de bobo
